ERAE information :

The European Review of Agricultural Economics now accepts review articles, and the ERAE Editors welcome proposals for review articles from EAAE members. Review articles should provide a comprehensive and scholarly account of a topic that has direct relevance to agricultural economics (methodological or applied) and that has not recently been covered in the literature. A pre-submission enquiry is required. If you are interested in writing a review article for ERAE, please send an abstract, outline, and key references to erae.editorialoffice@oup.com.
