Extra Newsflash 2021, February

XVI EAAE Congress moved online

The EAAE Board, in consultation with the Local Organising Committee and the Programme Committee, has decided that due to the current pandemic and its anticipated development, the XVI EAAE Congress initially planned as an onsite event in Prague will be organised online. The dates of the event remain the same (20-23 July 2021) and all accepted contributions will be accommodated in the programme.

We are working on the design of the virtual Congress to enhance its benefits to all participants and will post regular updates on the Congress [website](#).

In spite of this change, we hope that a large number of EAAE members will attend this virtual event.

Finally, due to this change we postpone the deadline for submission of organised sessions/panels to 22. February. The call for submission of posters remains open (deadline: 01 March).
