

## 9th EAAE PhD Workshop 22-24 June 2022, Parma (Italy)

### ***Rationale***

The objective of the EAAE PhD Workshop is to give PhD students from different Countries the opportunity to present their research in a conference setting and to get feedback from peers and senior economists.

Participants will benefit from: i) **plenary sessions** in which keynote speakers from academic present their most recent contributions and provide guidance on how to successfully carry out research in the agricultural, environmental, food and development economics domain; non-academic keynote speakers offer a view on the needed skills to work in non-academic international organisation, possible careers opportunities and the selection processes; ii) **informal parallel session** in which students present their **selected papers** and receive feedback from their discussant; iii) **research project format parallel sessions**, in which students present their thesis **research projects** or other research activities where they are involved individually or with other colleagues. It is not necessary to bring definitive results. Topics related to assumptions, methodological approaches and execution methods are also welcome.

### ***Call for paper***

The workshop welcomes submissions by PhD students at any stage of their PhD, as well as researchers who completed their PhD at the time of the workshop. Proposals are welcome in the areas of agricultural, environmental, food and development economics, and should be submitted in English in the form of extended abstracts. Proposals of contributed papers for informal parallel session should not exceed 2000 words and should be submitted by **January 31, 2022**. Proposal for research project should not exceed 1500 words and should be submitted by **March 30, 2022**. Proposals will be selected by the Scientific Committee. For authors' guidelines and more information on how to submit your proposals, please visit the workshop website ([www.parmaphdworkshop.unipr.it](http://www.parmaphdworkshop.unipr.it)).
